ROLAND A. MELECIO JR.

BSIT - INTERN

PROFESSIONAL SUMMARY

I am a 4th-Year BSIT student in **Holy Cross of Davao College**. I yearn my time on developing my skills in web development like using tools and frameworks such as Laravel, NextJS and such, and some programming languages for software development. I also learn certain things that are not usually taught on my field which were once required for my group projects such as using QGIS which we use for creating and visualizing geospatial data and integrating it to our application.
